CLEANING ACCESSORIES

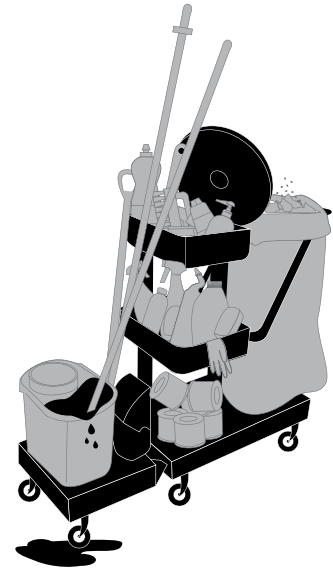

CLEANING IN TIGHT SPACES MADE EASIER

Slim Jim® Cleaning Accessories make mobile waste collection and cleaning in tight spaces easier than ever. Mix and match Slim Jim cleaning accessories, containers, and dollies to suit any space.

SMALL SPACES, BIG IMPLICATIONS

- ▶ In commercial environments where space continues to get tighter, traditional cleaning carts with large footprints or multiple cleaning tools are often bulky and heavy.
- ▶ This makes it difficult for cleaning operators to maneuver, restricts access in confined spaces and overloads the equipment storage area.

RECYCLING, EVOLVING CLEANING

PROCESS NEEDS

- ▶ As business recycling grows, more containers and waste streams need to be collected by cleaning operators.
- ▶ Waste collection management needs to be integrated within the cleaning process and cart set up, while maintaining access to essential cleaning equipment.

MIX & MATCH SLIM JIM CLEANING ACCESSORIES TO MEET YOUR NEEDS
